# Online Course Catalog

Link to [catalog](#)

# What is in the Course Catalog?

- Educational, College & Career planning guides
- Graduation requirements
- Course credits & descriptions
- Special programs and policies
- Alternative/Outside Credit Options
- Equivalency policy & courses

# International Baccalaureate (IB)

- IB on the Skyline Website
- The IB curriculum is divided into Higher Level courses (2 years of study) and Standard Level (1-2 years of study) taken during grades 11 and 12.
- All 11th and 12th grade students are eligible to enroll in IB courses
- It is not necessary to pursue the diploma in order to take IB courses.
- IB course grades are weighted for **class ranking only**. They are not reflected in the student's GPA.

# Additional Programs

- Tech Prep
- NEVAC
- Running Start
- Summer School
- Online Health – applications online
- Software Tech Test

# Equivalency Courses

- A list of equivalency courses for your class is included in the course catalog.
- Equivalency applies to meeting high school graduation requirements only. It does not diminish the number of credits required for graduation; it may change the courses needed to fulfill graduation requirements.
- Equivalency does not apply for meeting core requirements for college entrance.

# Registration Materials

# Course Selection Sheet

- Each grade level has its own sheet
- Course codes
- Class titles
- Prerequisites
- Year-long courses are year-long commitments
- Equivalency Course

# Registration Card

- Choose classes wisely
- Be aware of prerequisites
- Fill in all blank lines and boxes
- Alternative choices - If no alternatives are listed, an alternative class may be selected for you. Alternatives **MUST** be different than first choice classes.
- Signatures & contact information required

# 4 Year Course Planning Sheet

- Found on the back side of registration card
- Fill in estimated course plan for all 4 years
  - this plan does not commit you to those courses
- Make a copy for your records
